Chairman's Message

It is believed that Nursing encompasses autonomous and collaborative care of individuals of all ages, families, groups and communities. It includes the promotion of health, the prevention of illness, and the care of ill, disabled and dying people.

As we move forward, our commitment to delivering high-quality education remains steadfast. We are dedicated to providing a nurturing environment that fosters both personal and professional growth, empowers innovation, and encourages collaboration.

I look forward to witnessing your accomplishments and being a part of your growth as compassionate caregivers and leaders.

Best Wishes,
Chairman
Mr. Munaf Allana
SHED Foundation

Chief Executive Officer's Message

It gives me great pleasure to welcome you all as you embark on your journey in the noble profession of nursing. As Chief Executive Officer (CEO) of this esteemed institution, I am privileged to witness the dedication and passion that each of you brings to the field of healthcare. I encourage you to approach your education with an open mind and a thirst for knowledge.

Take advantage of every opportunity to learn and grow, both inside and outside the classroom. Embrace diversity and cultural sensitivity, for they are essential in providing holistic care to patients from all walks of life.

I want to commend each of you for choosing a career that embodies the highest ideals of compassion, integrity, and service. Your decision to become a nurse is a testament to your character and your commitment to making a positive impact on the world.

I wish you all the best in your academic pursuits and future endeavors. May you continue to inspire hope, healing, and humanity wherever your journey may take you.

Best Wishes,
Arif Saeed
Chief Executive Officer (CEO)

General Secretary's Message

Nursing is a noble profession that plays a pivotal role in patient care and the healthcare ecosystem as a whole. The SHED ION & AHS is attached with 250 beds SHED hospital with latest equipment and state-of-the-art technology.

SHED Hospital is one of the best healthcare service providers in North Karachi, The SHED ION & AHS will be the best nursing school to produce quality oriented nurses in the region.

Our Registration with Pakistan nursing and midwifery council is under process of final stage. There after its affiliation with the degree awarding nursing university will be obtained.

Your decision to pursue nursing education reflects your dedication to making a positive impact on society, and we are here to support and guide you on every step of the way.

Best Regards,
Mr.Riazuddin Noori
General Secretary
SHED Foundation

Administrator's Message

I welcome you to the esteemed Institute of Nursing and Allied Health Sciences of SHED foundation. While studying in SHED ION & AHS, I hope that all of you will embrace innovation and adjust to the changing healthcare environment by incorporating the newest research and technologies into your curricula.

It is important to keep in mind that nursing is a calling to serve and heal, not just a job. Protect the principles of compassion, empathy, and ethical behavior while you come across the difficulties of providing healthcare

Best Wishes,
Mr. Muhammad Haroon Fareed
Administrator and HR Consultant

Principal's Message

It's an honor for me to serve as a principal of this prestigious institute. The SHED ION is a place that offers great and unique opportunities to grow personally and professionally in educating future skilled health workers, especially nurses for clinicals, academia, research and prospect nurse leaders.

The faculty of the institute is passionate about evidence-based, effective teaching that enhances student's learning across all academic programs. Our focus is in consistently enhancing our academic programs.

Our goal is to establish a student-centered learning environment that values diversity and inclusion, facilitates effective learning processes and collaborative decision-making, encourages open discussion that upholds academic freedom and fosters educational responsibility.

The Institute of Nursing has a strong, collaborative relationship with the SHED Hospital Nursing Division to support the institute's missions of education, research and patient care. Our strategic goals and activities focus on ensuring nurses are best prepared in meeting health challenges and addressing the critical health needs of our population. We are also committed to provide innovative, high quality academic nursing programs to meet the health workforce needs for baccalaureate-prepared nurses, and nurse scientists who are equipped to address social determinants of health in the country, achieve the targets of sustainable development goals and universal health coverage of the government of Pakistan.

The SHED ION offers an equal opportunity to privileged and underprivileged prospective students to achieve their ambitions of becoming professional health workers. We extend a warm welcome to them at our institute, which is equipped with state of the art learning and practice facilities.

Best wishes for a bright and prosperous future!

Gloria Noble Khan

Welcome to

SHED INSTITUTE OF NURSING AND ALLIED HEALTH SCIENCES

INTRODUCTION TO NURSING PROFESSION

Nursing is a dynamic and multifaceted profession that involves the promotion, protection, and optimization of health and abilities, prevention of illness and injury, alleviation of suffering, and advocacy in the care of individuals, families and communities.

Nurses are the backbone of the healthcare system, providing essential care and support to individuals across the lifespan. Nurses work collaboratively with other healthcare professionals to deliver holistic care.

They are considered an integral members of the healthcare team, contributing to the well-being of patients in various settings, including hospitals, clinics, schools, community health centers, and more. As a result, everyone has an opinion about nurses and what the nurses do. However, the profession remains misunderstood globally. As a nursing student, you will be introduced to different aspects of the nurses' role, and get a greater understanding of where a career in nursing may lead you.

GENESIS OF SHED ION & AHS

The Chairman Munaf Allana's vision, which calls for the deserving communities of the most disadvantaged sectors of society to follow the noble profession of nursing, is the driving force behind the establishment of the SHED Institute of Nursing & Allied Health Sciences.

The SHED Institute of Nursing & Allied Health Sciences is one the finest Nursing Institutes of Pakistan. At SHED ION & AHD, we are committed to shaping the future of healthcare through excellence in nursing education. Established with a vision to train, inspire, and empower the next generation of nursing professionals, our institute stands as a beacon of knowledge, compassion, and innovation in the field of healthcare.

The management of SHED Foundation along with nursing faculty is highly ambitious to provide best educational opportunities to all its students belonging to diverse ethnic and socio-economic backgrounds of Sindh, Pakistan.

The SHED Institute of Nursing & Allied Health Sciences aims to offer its students a welcoming learning environment that will enable them to perform to their full capacity by empowering them to actively participate in clinical training and field visits. It will enable the students to acquire practical skills that will benefit them in their future pursuits in addition to theoretical learning.

The management of SHED Institute of Nursing & Allied Health Sciences has made every effort to set up the Nursing Institute in accordance with the standards of Pakistan Nursing and Midwifery Council, Health Department, government of Sindh and Higher Education Commission of Pakistan.

VISION

To be one of the leading nursing institute for developing competent nurses to provide holistic care to their clients meeting the national and international standards.

MISSION

SHED ION aspires to achieve excellence by offering efficient, reliable and internationally compatible education through continuous innovations and to involve our students in knowledge, networking and emerging technologies in the field of nursing.

PHILOSOPHY

We believe that nursing is a dynamic and evolving profession which provides a unique service to individual, families, and communities.

The nursing profession recognizes the need to contribute to the advancement of nursing knowledge; to operate within code of ethics; to set standards of practice and to promote the competence of individual professional.

We are committed to significantly improve patient outcomes by promoting the standards of nursing education to produce highly skilled health care professionals.

GOALS

- To have contemporary approach in Education and Research.
- To enhance knowledge and expertise through national and international collaborations.
- To elevate health status of the community and increase public awareness.
- To review and reflect practices continuously for rectification and enhancement.

OUR CORE VALUES

- Compassion
- Respect
- Excellence
- Accountability

- Collaboration
- Diversity
- Innovation
- Professionalism

PROGRAMS OFFERED AT SHED ION & AHS

1. GENERIC BSN

04 years Degree Program
Male / Female

2. POST-RN BSN

02 years Degree Program
Male / Female

3. COMMUNITY MIDWIFERY (CMW) ONLY FOR FEMALES

02 years Diploma Program

CAMPUS FACILITIES

SKILLS LAB

Our well-equipped Skills Lab provides the students learning activities to simulate 'real world' situations and patient encounters. Moderate and low fidelity simulators and mannequins are available for hands-on practice to transform the theoretical knowledge into practical work.

SCIENCE LAB

The Biochemistry and Microbiology Lab in a nursing institute is an essential facility. This laboratory serves as a practical extension of the theoretical knowledge acquired in classrooms and textbooks. This laboratory is specifically designed to immerse students in the microscopic world of microorganisms and provide hands-on experiences that contribute to their understanding of infectious diseases, prevention strategies, and the role of microbiology in patient care and also understanding the biochemical principles that underpin human physiology and health. Our Science faculty is available to assist students to learn using simple and complex equipment for testing and research purposes.

LIBRARY

Library is extensive, well ventilated and spacious with comfortable seating arrangements. There is a full time qualified and well experienced librarian who manages the library. The library offers access to a limited number of both national and international journals. Additionally, patrons have the convenience of utilizing internet services and an electronic library for comprehensive research and study purposes.

LECTURE HALLS

The lecture halls are well ventilated and equipped with audio-visual aids to facilitate lectures, discussions, and presentations.

CAMPUS FACILITIES

CONFERENCE HALL

Conference hall is equipped with the portable audio-visual technology, including a high-definition projector, a large retractable screen, and video conferencing capabilities. Presenters can seamlessly connect their devices to the room's audio and visual systems. It is perfect venue for sessions, meetings, seminars and workshops.

COMPUTER LAB

Computer lab is equipped with high-performance computer workstations, each featuring the latest software and hardware. Ergonomic seating ensures comfort during extended use, making it an ideal space for research, academic projects and presentations.

AUDITORIUM

Our Auditorium is an impressive venue that combines architectural elegance with cutting-edge technology. Auditorium is located in the basement, adjacent to the main hospital building. This auditorium is created to accommodate various occasions, such as academic lectures, conferences and religious events.

MOSQUE/ PRAYER AREA

Within the premises of SHED Hospital, there is a mosque expressly devoted to meeting the spiritual needs of both the staff and students.

TUCK SHOP

The Institute has a well-maintained Tuck Shop to cater the students and staff. All care is taken by the institute to ensure good quality food and beverages.

The Tuck Shop provides reasonably priced, hygienic food with available seating arrangement.

CLINICAL BASED FACILITIES

Availability for clinical practice at SHED Institute involves students engaging in practical experience within SHED Hospital under the close supervision of experienced staff and clinical instructors. The hospital serves as a platform for student nurses to explore and participate in diverse clinical disciplines, including:

MEDICAL & SURGICAL UNIT (SEPARATE FOR FEMALES AND MALES)

EMERGENCY DEPARTMENTS (SEPARATE FOR FEMALES AND MALES)

PEDIATRICS

GYNAE & OBS

NICU

INTENSIVE CARE UNIT

CARDIAC CARE UNIT & CATH LAB

OPERATION THEATRES

DIALYSIS UNIT

SHED INSTITUTE OF NURSING & ALLIED HEALTH SCIENCES

THALASSEMIA UNIT

PHARMACY

PALLIATIVE CARE UNIT

DRUG REHAB UNIT

PSYCHIATRIC UNIT
(FOR FEMALES AND MALES)

IMMUNIZATION DEPARTMENT

RADIOLOGY DEPT.

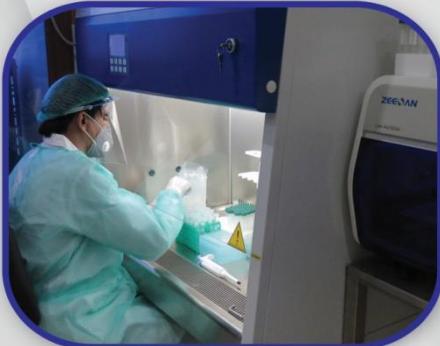

LABORATORY

PATHOLOGICAL LABORATORY

MOLECULAR LABORATORY

BLOOD BANK

PHYSIOTHERAPY DEPT.

OUT PATIENT FACILITIES

1. Consultant Clinics (OPD)
2. Echocardiography (ECHO)
3. Electrocardiogram (ECG)
4. Orthopantomography (OPG)
5. Optical Coherence Tomography (OCT)
6. Exercise Tolerance Test (ETT)
7. Color Doppler Ultrasound
8. Eye & Dental Care Clinics
9. Diabetology Clinic
10. Dermatology & Cosmetology Clinics

ACADEMIC INFORMATION

1. BACHELOR OF SCIENCE IN NURSING (BSN) (AN OVERVIEW)

A Bachelor of Science in Nursing (BSN) is a four-year undergraduate degree program that prepares individuals for a career in nursing. BSN program usually takes four years to complete.

PROGRAM OBJECTIVES

1. BSN graduate is prepared to be a safe clinical nurse who will be able to provide comprehensive care at primary, secondary and tertiary levels within the hospital and community. Upon Completing a BSN program, graduates can work as registered nurses (RNs). RNs provide patient care, administer medications, coordinate care plans, and collaborate with other healthcare professionals.
2. A BSN degree serves as a foundation for multiple advanced degrees such as MSN, MPH or PhD.

ELIGIBILITY CRITERIA

- Matric Science (Physics, Chemistry & Biology as compulsory subjects)
- FSc. (Pre-Medical) with 50% marks (Physics, Chemistry & Biology as compulsory subjects)
- Age Limit: 16-35 years
- Pass/ Clear the entry test & interview
- Selected candidate should be medically fit.
- Both genders can apply

REQUIRED DOCUMENTS TO BE SUBMITTED IN HARDCOPY

- Photocopy of CNIC of the Candidate
- Photocopy of CNIC of Father/Guardian
- Passport size photographs 24
- Photocopy of Intermediate Certificate & Mark sheet
- Photocopy of Matric certificate & Mark sheet
- Photocopy of Domicile & PRC

ADMISSION TEST AND INTERVIEW

Entry test will comprise of basic questions from Physics, Chemistry, Biology, Mathematics, General knowledge and English as prescribed by the Board of Intermediate and Secondary Education.

INTERNSHIP

On successful completion of four years (VIII semesters) course work, students will have to complete one year (52 Weeks) internship as per Pakistan Nursing Council (PNC) internship criteria. SHED Hospital will offer the internship to successful candidates.

DEGREE AWARDING AUTHORITY

Students who complete their course work will be awarded a BS Nursing degree from the affiliated University.

- 12% Scholarship will be awarded to the candidates from each program on merit bases.
- If a student fails to maintain minimum GPA 3.10 in any semester and attendance-85%, Institute has the right to discontinue the financial assistance.
- Due to unavoidable circumstances or crises, institute has the right to discontinue the financial aid.

Financial Assistance: The Institute provides financial assistance to the needy and deserving students covering full or partial tuition fee in the form of interest free loan.

FLORENCE NIGHTINGALE'S PLEDGE

I, solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.
